

Community Meeting Former Fire Station 39

The City has recommended using the former [Fire Station 39](#) site to create housing for homeless and/or low-income families, with ground floor uses that serve building residents and the community at large. The City Council wants community feedback before it makes a decision on the property. These meetings provide an opportunity to give your input.

Two meetings are available to accommodate different schedules. Due to the anticipated number of attendees and limited time, we ask that you attend one of the two dates offered. The program will be the same at each meeting.

When: **Saturday, October 6, 2012 - Doors open at 11:30 a.m.**
Program starts at noon
